TVAC40500

Mini RG59 Crimp Plug

The Mini RG59 crimp plug is connected to a video cable (Mini RG59 cable). It has a high–quality gold pin and can be used for quick, loss–free connection of Mini RG59 cables. Due to their small cross–section, these are ideal for routing of cables at narrow points.

Product highlights:

- BNC crimp connector for Mini RG–59 cables
- with a gold–plated pin
- 75 ohm
